

France/New Zealand Creative Technologies Residency

Please download and complete this editable PDF document. Return it by email with the required attachments to the following persons:

- ▶ **Frances Joseph**, co-director, Colab
frances.joseph@aut.ac.nz
- ▶ **Raynald Belay**, cultural counsellor, French Embassy to New Zealand
cooperation.wellington-amba@diplomatie.gouv.fr

For more information and enquiries please visit:
<http://colab.aut.ac.nz/collaborations/ataata/>

The following documents must be joined with your application:

- ▶ Current resume.
- ▶ Artist statement (500 word max.) and work samples (images, audio, video samples, websites...).
- ▶ A brief text (500 word max.) of what you might like to work on while at Colab and why Colab and New Zealand could be an interesting environment for your project or research. The description should include an expected outcome for the residency, as well as examples of past experiences that show preparedness to work on a collaborative, interdisciplinary, interactive project.
- ▶ If you work for an organization, a reference letter from your institution supportive of your application as a possible commitment to long-term relation with Colab.

Professional occupation and main employer, if any:
